

MATERIAL SAFETY DATA SHEET

1) Identification of the Preparation and the Company

Product Name Aviac Liquid
Manufacturer SAIFE VETMED PVT LTD
Khasra No 122/32, MIN Central Hope Town,
Selaqui, Dehradun-248197

2) Composition / Information on Ingredients

Active Ingredient (% w/w): Withania Somnifera (Tincture), Phyllanthus Emblica (Juice) & water base
Liquid Chemical Class: Animal Feed supplement
Physical Appearance: Light brown colored clear liquid

3) Hazards Identification

Light, brown-colored liquid. Prolonged exposure to this product may cause skin irritation, eye/nasal irritation, dizziness, headache, or nausea. This product is not flammable.

HEALTH: 1 REACTIVITY: 0 FLAMMABILITY: 0 ENVIRONMENT: 0

(0=Insignificant 1=Slight 2=Moderate 3=High 4=Extreme)

4) First Aid Measures

General Advice In case of accidents or if unwell, seek medical attention immediately. Show label.

Eye Contact: Flush with water for at least 15 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.

Skin Contact: Wash exposed area with soap and water for at least 15 minutes. Remove contaminated clothing. Get medical attention if irritation persists.

Ingestion: Rinse mouth out with water. Call a doctor or get medical attention as soon as possible. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.

Inhalation: Remove person to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

5) Fire Fighting Measures

Flammability Classification: not flammable

Known Hazardous Products of Combustion: none known

For Dust Explosion: none Potential

For Release of Flammable Vapors: none to slight

Unusual Fire & Explosion Hazards: none known

6) Accidental Release Measures

Containment: Prevent product spillage from entering drinking water supplies or streams.

Clean Up: Collect liquid or absorb it onto absorbent material and package for disposal.

Evacuation: Not necessary

7) Handling and Storage

Storage: Keep away from heat and open flame. Keep from freezing,

Work/Hygienic Practices: Keep out of reach of children

Handling: Avoid contact with eyes and skin.

Storage: Keep containers tightly closed. Store in a cool, dry area away from direct sunlight.

Incompatible Products: Keep away from strong oxidizing agents.

8) Exposure Controls / Personal Protection

Eyes: Protective eyewear

Skin: Disposable gloves, such as nitrile

Respiratory: Use in well ventilated areas

Ventilation: Use in well ventilated areas

9) Physical and Chemical Properties

Appearance: Light brown colored liquid

pH: 3.63 at 25°C

Vapor Pressure: NA

Vapor Density (Air=1): NA

Boiling Point: NA

Freezing Point: NA

Water Solubility: fully miscible in water

Density: 1.0 at 21°C

Evaporation Rate: NA

Viscosity: NA

% Volatile: NA

Octanol/Water Partition Coefficient: NA

Saturated Vapor Concentration: NA

10) Stability and Reactivity

Stability: Stable.

Conditions to Avoid: heat, ignition sources, incompatible materials

Incompatibility: reactive with oxidizing agents

Hazardous: Decomposition Products: none known

Hazardous Polymerization: none known

11) Toxicological Information

Eyes: May cause eye irritation.

Skin: May cause slight irritation.

Ingestion: May cause stomach ache, headache, and/or nausea.

Inhalation: May cause headache and/or nausea

12) Ecological Information

Mobility	No information available
Bioaccumulation	No information available
Biodegradability	No information available
Aquatic Toxicity	No information available

13) Disposal Considerations

Applicators must dispose of any unused product as the label indicates.

Disposal Methods: Do not reuse original product containers. Dispose of product containers, waste containers, and residues according to local, state, and federal health and environmental regulations

14) Transport Information

14.1 UN number

ADR/RID: Not regulated.

IMDG: Not regulated.

IATA: Not regulated.

14.2 UN proper shipping name

ADR/RID: Not dangerous goods.

IMDG: Not dangerous goods.

IATA: Not dangerous goods.

DOT Hazard Class: NA

DOT Identification Number: NA

15) Regulatory Information

SARA Title III: This product does not contain any ingredients subject to Section 313 (40 CFR 372) reporting requirements.

Phrase S26 in case of ingestion seek medical advice immediately. Show label.

16) Other information

This Material Safety Sheet is to be used only as a guide and does not constitute any warranty or guarantee as to the quality, properties, condition, or otherwise of the product. It has been prepared from the best knowledge available to us and we shall not be liable for any insufficiency or inaccuracy in such information in any case whatsoever. In addition, we shall not be held liable for any damage resulting from handling or from contact with the above product. It is the responsibility of the user to determine the best precautions necessary for the safe handling and use of this product. This data relates only to the specific material designated and not when used in combination with any other material. Local/national regulations may apply regarding the product's end use or disposal of packaging or unused material. It is the purchaser's responsibility to familiarize themselves with all applicable regulations prior to use of the product.
